- CALLING ALL READERS! If anyone wants to come in to be a guest reader, let me know!
- Remember, late homework means a color change if not brought back right away the following week. We are practicing responsibility each week with this. In second grade, homework comes home nightly.
- Spelling, spelling, spelling… when students recognize the word pattern, they do better on their tests and writing.
- This week we explored the magic of Dr. Seuss…. Do some reading this weekend—I challenge you :)
- As your student to see their reading pledge.
