

First Grade News

4/1/16

- The Spring Party was so much fun. Thank you to Mrs. Ceballos and Mrs. Valdez for helping out!
- Thank you to my families for returning the report card envelopes and "My Family" books! Those turned in on time will be used for the Young Author's contest in the library.
- The BOOK FAIR will be open when we come back from Spring Break. That Tuesday is our library day, so students may bring money for new books:)
- Please never hesitate to send me an email or note. Our partnership will continue this year on a positive note:) THANK YOU! - Ms. Proise

Have a fantastic

SPRING BREAK!

Math

This week's math focus:

- Unit 5- Finish testing
- Unit 6-Graphing

Continuing to discover different graphs and we will be making our own.

****Keep practicing that adding and subtracting at home. It is important that facts are fluent!**
