☆ **HIGH FIVE to the whole class on working so hard to have green days this week!** ☆

- Check out the new pictures on our website!! Look under gallery.... www.msprorisefirstgrade.weebly.com
- **THANK YOU to parents who attended Parent/Teacher Conferences last week, it was so nice chatting with you and building on our partnership.**
- **Please return any envelopes from report cards, signed, if you have not:)**
- Please be sure that students are working on their homework and practicing their words and math. They know that it is **their** responsibility to come to school prepared and also turn in their homework on Friday. Please don't let them leave their work until the last day— spread it out a little each night :)
- In social studies and reading this week we will talk about different jobs that we see in our neighborhoods.
- In science this week, we will spend a little time observing our mealworms/pupa and **BEETLES!** They have changed again! We will also be doing some "Rotten Science" with pumpkins.

Our partnership is so important to me! Please always feel that you can call, email or write to keep in touch!

THANK YOU First Grade Parents—

Ms. Prorise

Math

This week's math focus:

Unit 3:

- addition word problems
- subtraction
- unknown partner

P.B.I.S. Monthly Goal

**Earn a movie by showing respect and self-control throughout the building.
We want to be good **CITIZENS!****
