## Welcome to First Grade!

[www.msprorisefirstgrade.weebly.com](http://www.msprorisefirstgrade.weebly.com)

- We had so much fun this week in first grade! I am truly enjoying getting to know my students and look forward to connecting with more families next week with some positive phone calls home (getting emails set up, too!)
- I will be sending an email to parents looking to see if I have the correct addresses to make sure you are getting what I send.
- The past two weeks we have worked on learning our classroom procedures and soon enough they will become routines. Students are improving each and every day!! Ask them about some procedures for the classroom, hallway, recess, lunch and specials.
