Isaiah was our STAR STUDENT this week! Thanks Isaiah!

- Please be sure that students are working on their homework and practicing their words and math. They know that it is **their** responsibility to come to school prepared and also turn in their homework on Friday. Please don't let them leave their work until the last day— spread it out a little each night :) Most students are very responsible with this task! Thank you!)
- Parents- be sure you are signing each time you work with your student, this is a partnership.
- Book in a Bag went home 2 weeks ago and Mrs. Delagarza listened to your students read and switched out books for those friends who were ready. Thank you for always keeping these baggies in green folders.
- In social studies and reading this week we talked about **Veteran's Day** and what a veteran is. We also attended the Veteran's Day assembly—please ask you student to teach you something they learned.
- We will begin a writing unit on Thanksgiving next week.
- In science, we just finished up our unit on **sound**. We made string telephones! They worked:) Ask how...
- Our partnership is so important to me! Please always feel that you can call, email or write to keep in touch!
