★ HIGH FIVE FOR GREEN DAYS! Good Job to the Star Student, Alex ★

www.msprosisiefirstgrade.weebly.com

- Please be sure that students are working on their homework and practicing their words and math. They know that it is **their** responsibility to come to school prepared and also turn in their homework on Friday. Please don't let them leave their work until the last day— spread it out a little each night :) Most students are very responsible with this task! From now on, if students do not turn in homework after it is late for 1 day, they will change their color.
- At least 10 minutes of reading **EACH NIGHT**, to be successful!
- This month in Social Studies, we will focus on learning about special times that celebrate light and are special to us and to some of our friends (Hanukkah, Diwali, Kwanzaa, Las Posadas and Christmas).
***If there is a holiday that you feel we should include in our discussions, let me know:*)**
- I will be looking for reading parents in the coming weeks. Thank you to Mrs. Mensik for helping me with "Book in a Bag."
