{Our 100th day was awesome! Projects turned out great, thank you!}

- Please be sure that students are working on their homework and practicing their words and math facts. Second grade is coming soon and students **MUST** be reading each night! We talked about families working together on this goal. We are partners in teaching our young learners.
- "Books in a Bag" are being traded out as I get volunteers. I'm sorry it hasn't been more steady, but you can login to RAZ Kids online for the same books. Logins were sent home at conferences, use hprorise and the password: 
- Don't forget math facts!
This week students will have one minute of +4 facts!
- We have been learning a bit about penguins in science and how they are so much like their parents (feathers, fat and body parts to help them).
