100 Day, Groundhog Day... GO BRONCOS!

I'll put some new 100 Day pictures up this weekend! www.msprosisiefirstgrade.weebly.com

- 20 students turned in homework this week:) Remember that homework is review of skills we have learned or areas where I think students need extra practice... more **BOSSY R** practice this week.
- Don't forget to check out the activities and resources on the back of this newsletter for an extra challenge-
- Keep math flashcards in a baggy and keep collecting them. Students are doing great! Second grade requires fluency in math facts... keep up the practice!
- **MORE BOOKS IN A BAG TO COME!** Busy week, so we will trade them out on Monday. Please be sure that these stay in your student's green folder after reading throughout the week.
- **LIBRARY DAY MONDAY!** Please remember to return books so we can get new books:)
- Ask your students about our place value math centers this week... awesome work!

My 1st grade heart is happy!:)
Ms. Prosisie

Math

This week's math focus:

- Unit 4: Understanding tens and ones
- grouping tens
- comparing 2 numbers $<$, $>$, $=$

PBIS FEBRUARY GOAL
